DON, WE WILL SEND A LETTER TO YOUR ATTORNEY FOR OUR POSITION. THIS CAR SHOWS NO ACCIDENTS IN THE CARFAX AND YOU ACCEPTED AND SIGNED A RELEASE. THERE IS ONE PART OF OUR AD YOU DO NOT SEEM TO UNDERSTAND, YOU PURCHASED A USED CAR. I PERSONALLY DROVE THIS CAR AND THOUGHT EVERYTHING WAS GREAT. I EVEN SPENT ANOTHER \$250 TO BUY A NEW CUPHOLDER. YOU MUST REMEMBER YOU BOUGHT A 1996 JAGUAR NOT A 2006.

Final determination
Paul;

I instructed my attorney to file against you today. My only question is why you did not respond so far? Instead this is going to incur attorney fees and filing cost.

Here is one final picture. Please notice that the fender is supposed to continue it's line and meet the outer edge of the bumper. When the fender was reconstructed from Bondo they made the flared out part about 1/2 inch too narrow. The entire bottom of the left rear quarter panel is a Bondo recreation. Above it there is significant hammering and filler and runs.

DON, AS I LOOK AT ALL YOUR COMPLAINTS, I WONDER IF YOU UNDERSTAND THAT YOU BOUGHT A 1996 CAR WITH 78,000 MILES. BOTH MY FATHER AND MYSELF HAD DRIVEN THIS CAR AND WE BOTH THOUGHT THAT IT DROVE SUPERB. AS FAR AS CONDITION WE ALSO BOTH THOUGHT THAT EVERYTHING LOOKED REALLY GOOD. I AM SORRY THAT WE DID NOT NOTICE THE PROBLEM WITH THE TRUNK, BUT WE ARE HUMAN.

IF YOU ARE IMPLYING THAT WE SPRAYED SOME SORT OF CLEARCOAT TO COVER UP FLAWS YOU WOULD BE MISTAKEN. THIS CAR WAS A LOCAL TRADE AND THAT IS THE WAY IT WAS TRADED TO US. IT IS NOT IN OUR NATURE TO SELL A PROBLEMATIC CAR. IF YOU LOOK AT OUR INVENTORY YOU CAN SEE THAT WE ONLY SELL HIGH QUALITY CARS. I DRIVE MANY EXOTIC CARS SO I AM FAMILAIR WITH HOW CARS ARE SUPPOSED TO DRIVE. I THINK THAT THIS CAR DRIVES GREAT.

I AM SORRY FOR YOUR PROBLEMS, PLEASE EMAIL ME WHAT I CAN DO TO HELP YOU BETTER ENJOY THIS CAR.

THANKS, PAUL
